Position Title **CRM DATA & TICKETING ANALYST**

Description A unique opportunity to work at the forefront of data analysis at a leading sports Club.

Employer Melbourne Victory Football Club
Melbourne, Australia

Work Type Full Time

Description

- Dynamic and challenging role
- High profile professional sports Club
- AAMI Park location
- Great team environment

Job Summary

Melbourne Victory is an inaugural and highly successful member of the A-League; Australia's professional football competition. Since its inception in 2004 the Club has enjoyed considerable success, winning three league championships and three premier plates.

Responsible for the meticulous management of information, the CRM Data and Ticketing Analyst is the curator of the Club's data. The role is pivotal in driving the strategic development of data plans and systems, across the consumer and commercial departments of the club.

Desired Skills & Experience

- Experience in data analytics and database systems (Marketo desirable).
- An in-depth understanding of managing developers and workflow methods.
- Presents numerical data effectively and able to read and interpret written information.
- Experience and proven success working in a high target sales orientated environment.
- Experience in ticketing management is desirable.
- Computer literacy in Microsoft Office Suite with a comprehensive working history in Excel, and Internet based database applications.
