ACKNOWLEDGEMENT OF COUNTRY

Football Australia acknowledges the CommBank Emerging Matildas Championships will be taking place on the lands of the Gadigal people of the Eora Nation - the Traditional Custodians of the land now known as Sydney.

Today and always, we recognise and acknowledge Aboriginal and Torres Strait Islander peoples as the first inhabitants of Australia and that sovereignty was never ceded. We extend this respect and honour to all First Nations' elders of past, present, and future generations.

NSW GOVERNMENT WELCOME

Welcome to Sydney for the 2025 CommBank Emerging Matildas Championships – proudly supported by the NSW Government through its tourism and major events agency, Destination NSW.

Over the next six days, we're excited to host Australia's most promising Under 15 and Under 16 female footballers as they showcase their talent on a national stage. This tournament is a vital stepping stone for future Matildas, offering a platform for elite competition and a pathway to national selection and professional careers.

Events like the CommBank Emerging Matildas Championships not only play a crucial role in sporting development but also boost our local visitor economy, bringing players, coaches, officials and supporters together to experience the best of what NSW has to offer.

Best of luck to all competitors.

While you're here, I encourage you to take some time to explore Sydney's world-class attractions, stunning natural beauty and vibrant cultural scene.

Enjoy the tournament and your stay in Sydney!

The Hon. Steve Kamper MP

Minister for Jobs and Tourism

Minister for Sport

FOOTBALL AUSTRALIA BOARD WELCOME

It is my great honour to welcome you to the 2025 CommBank Emerging Matildas Championships and CommBank Emerging Socceroos Championships as two cornerstone events in Australian football that represent not only the future of our national teams, but the future of our game.

This year marks a new era in our youth development system. The transformation from the National Youth Championships to the CommBank Emerging Championships is more than a change in name – it reflects Football Australia’s bold, future-focused commitment to building world-class pathways that align directly with our senior national teams, the CommBank Matildas and Subway Socceroos.

The CommBank Emerging Matildas and CommBank Emerging Socceroos Championships now serve as Australia’s premier talent development platforms, designed to unearth the next generation of elite footballers, coaches, and match officials. These tournaments are underpinned by a high-performance environment that reflects global best practice – integrating player education, advanced analytics, and holistic development support to better prepare our young talent for the international stage.

Importantly, these Championships represent our shared vision that unifies the football community and sets a clear, structured journey from grassroots to green and gold. Whether you are a player, coach, referee, or support staff member, your involvement in this event signifies that you are part of something bigger - a national movement to elevate Australian football to new heights.

As Chairman, I am incredibly proud of the work led by our Football Development Committee, comprised of former Australian internationals and performance experts, whose insights have shaped this new identity and structure.

To all participants, I congratulate you on earning your place at these Championships. Compete with pride, embrace the experience, and remember – you are not just playing for today, but for the opportunity to shape the future of Australian football.

Best wishes for a memorable and exciting tournament. Good luck.

Anter Isaac

Chairman, Football Australia

FOOTBALL AUSTRALIA INTERIM CEO WELCOME

On behalf of Football Australia, I am proud to welcome all players, coaches, officials, and supporters to the 2025 CommBank Emerging Matildas Championships, held at Valentine Sports Park, Glenwood.

This tournament is a significant moment on our football calendar and a celebration of the next generation of talented young footballers from across the country. As the pinnacle of youth girls' competitions in Australia, the CommBank Emerging Matildas Championships provide a vital platform for talent identification, elite development, and national recognition.

Many of our CommBank Matildas once took part in this tournament – names like Caitlin Foord, Sam Kerr, Ellie Carpenter, Steph Catley, and Kyra Cooney Cross. These Championships are not just a competition, they are where future international stars are discovered, shaped, and inspired.

This event brings together teams from across our nine State and Territory Member Federations. It offers players the chance to represent their region, test themselves among the nation's best, and showcase their ability in front of national team technical staff. It also provides a unique environment for players to grow both on and off the pitch, forming lifelong friendships and memories.

I extend my heartfelt appreciation to the NSW Government and Destination NSW for championing and supporting this year's event. A sincere thank you also goes to the volunteers who bring these Championships to life – your contribution to our game is invaluable.

To the players, wear your colours with pride and embrace the opportunity in front of you. To the parents and family of the players, thank you for raising and supporting our future stars. And finally, to everyone attending, enjoy the action!

Here's to another inspiring chapter in the journey of the CommBank Emerging Matildas Championships. Good luck to all.

Heather Garriock

Interim Chief Executive Officer, Football Australia

GREEN FOOTBALL DAY

**DONATE YOUR PRE-LOVED CLOTHES,
FOOTBALL KIT AND MORE TO THE
SALVOS STORES ONSITE!**

18 JULY

Join Football Stars in saving kit from landfill and support Green Football Day at the CommBank Emerging Matildas Championships on 18 July.

Earlier this year the Great Save was executed in Australia and New Zealand through a series of collaborative efforts involving the A-League, clubs, players, and sustainability partners KitAid Australia, The Salvation Army and Unwanted FC.

“Within Australia each year, more than 200,000 tonnes of textiles go to landfill each year, which could be otherwise repurposed, recycled or reworn,” Sarah Oakley, Salvos Acting Senior Manager – Circular Economy, said.

Donate Football Gear

Give back on Green Football Day by donating your own **pre-loved football jerseys, shorts, boots and gloves** to Salvos Stores onsite to help more football lovers to enjoy quality merchandise and gear while supporting a good cause.

Non football donations are also welcome – bring along that bag of clothes you keep looking at and meaning to drop off!!

Find out other ways to support Green Football Day [HERE](#).

Football. United.

From grassroots to the world stage, we're all in.

CHARLES PERKINS XI

The Charles Perkins XI is Football Australia's national First Nations Football development program. Originally established as the Invitational XI in 2023, the program was created to identify talented Aboriginal and Torres Strait Islander players with access to elite development and competition opportunities.

Now competing under the name Charles Perkins XI, the team continues to grow in strength and profile and is now a regular participant in the CommBank Emerging Championships.

The program is supported by Football Australia and partner organisations, with a focus on player development and cultural connection.

The name change recognises Dr Charles Perkins, a proud Arrernte and Kalkadoon man who was both an accomplished footballer and one of Australia's most prominent Aboriginal leaders, he was also one of the first Aboriginal people to graduate university. Renaming the team in his honour reflects the program's broader commitment to recognising First Nations excellence in sport, leadership, and community.

COMMBANK EMC SQUADS | Malaysia

Players will be announced by Football Association of Malaysia closer to the CommBank Emerging Matildas Championships dates.

FOOTBALL ASSOCIATION OF MALAYSIA

In line with the new strategic direction for the CommBank Emerging Socceroos and CommBank Emerging Matildas Championships, 2025 will mark the first edition of Australia's premier youth tournaments to include invited international teams, with Malaysia competing in the U-15 age groups of each competition. The inclusion of Malaysia will allow Australian players and coaches to benchmark local talent against international opposition. It will also strengthen the long-established relationship of friendship between Australian and Malaysian football.

'We are honoured to be part of this important initiative alongside Football Australia,' said Datuk Mohd Joehari Mohd Ayub, President of the Football Association of Malaysia (FAM).

The opportunity to compete in the CommBank Emerging Championships reflects our shared commitment to grassroots development and regional collaboration.

"This tournament provides invaluable exposure for our young talents and allows us to strengthen footballing ties with Australia, a nation that shares our vision for youth development. We believe this partnership will create lasting benefits for the next generation of footballers in both countries."
